

## **STATEMENT OF PURPOSE**

### **INTRODUCTION:**

My name is **Student Name**, I come from a humble family. I look forward to live life and enjoy in every possible manner. If we look at my education I have recently finished my higher secondary grade 12<sup>th</sup> in the year 2019 with 53.4%, my secondary and higher secondary education were perused from central board. I had a dream of abroad studies and wanted to do my bachelors in an international country from where the degree earned will be globally recognised and I can move to a big city and can apply for jobs in good multinational companies and can have a settle and progressive carrier. I cleared my first task of IELTS preparation and appeared for the test and got 7 bands with no fewer bands 6.

### **WHY UK?**

One of the main reasons I chose **UK** is that the degrees and qualifications from UK are known around the world as high quality and world class. With the multi-cultural diversity that an UK campus represents, students like me would benefit in terms of learning new cultures and traditions. The UK universities consistently rank among the best in the world. UK degrees can be tailored my interests and often include specific modules. UK universities are inspected regularly to ensure that they uphold the high standards of teaching, learning and research set by the government. The cultural diversity of life in British higher education is unrivalled. No wonder International students have always been an important presence in the UK, and the numbers are growing steadily.

### **WHY UNIVERSITY OF WEST LONDON?**

The University of West London provides large number of alternatives in choosing any course. I will get the chance to study using state-of-the-art facilities and develop in realistic working environments, e.g. hospitals, recording studios and laboratories. Further for a student like me, International student the university makes feels like home. I collected data about this university and came to know many of these things. The university also provide us many types of scholarships and bursaries even to the international students. The combination of innovative facilities and passionate and experienced staff has seen several of our courses receive a 100% satisfaction rating in 2017's National Student Survey

### **WHY BSC INFORMATION TECHNOLOGY WITH FOUNDATION YEAR?**

I will be part of a highly regarded well established Information Technology department with excellent facilities, a strong research background, and links to business and industry. I will join a lively academic community in the School of Information Technology at University of West London, one of the largest and

most established in the country also I will be taught by highly qualified staff, most with a PhD or other advanced degree in addition to research, teaching, or professional experience. After this course there are plenty of opportunities for capable IT specialists, who tend to have a good track record of gaining work and advancing in their careers. You could apply what you learn on this course within areas as diverse as law enforcement, government agencies and commercial IT departments. Thanks to the nature of this degree, I'll develop the broad skills many employers are looking for while keeping my career options open. I will have the opportunity to undertake a professional placement for third year.

### **CONCLUSION:**

I would like to conclude that if I receive an opportunity to study in UK I would get the platform where I would get one step closer towards my dream and become successful in my life. I aim to put as much as I could into the course and I very much hope that you will look favourably upon my application. I would be honoured if you provide me with a golden opportunity to study in one of the most renowned University of UK.
