

Statement of Purpose

I am **Student Name**, completed my undergraduate studies in **Electronics & Instrumentation Engineering, Mandava Institute of Engg & Technology**. My goal is to do Master of Business Administration. My decision to pursue post graduate study in the **United Kingdom** is underscored by my desire to be a part of the post graduate program at your institution .Your Institute offers the flexibility needed for such a vast and rapidly changing field. The research facilities and the faculty at the Institute are par excellent.

I then finished my Intermediate with 69% and a rank in Engineering Entrance test. I got admitted into **Mandava Institute of Engg & Technology**, affiliated to JNT University, Kakinada, which is one of the reputed universities at the global level. I took Control systems and Digital Electronics&signal processing as my major subjects in the undergraduate program.

Throughout my academic career, I have pursued and achieved good academics and excellent communication skills. In school, I regularly topped and achieved good results in both academic and social activities. I am good at Co-curricular activities and undergone the Campus Connect program conducted by the Infosys during my third year where we were trained on eight modules.

I would like to add that I have been organizing and participating in extracurricular and co-curricular activities. The boundless possibility of trying out and the instant knowledge of the outcome that simulates one for further analysis is a rational in question is what I find is most appealing.

With a keen interest in the field of Business Administration, I would like to earn a Master of Business Administration, and enhance my opportunities. I have spoken to my professors, seniors and colleagues about my choice of Institute, and have applied to your Institute. The department website revealed a very strong faculty involved in extensive course work in the area of Business Administration. This has strengthened my resolve to study at your Institute.

The facilities provided by the Institute are of Modern standard and provides me to get a sound knowledge on the subject and also I am very much inspired by the projects and also the equipment provided at the Institute. So this arouses the interest in making the way in to your Institute.

I am very much inspired by the Faculty and the staff members all the research they have done in the field of Business Administration. So I would like to contribute my best to the field when I join Masters in Business Administration at your Institute.

I have a strong desire to do my masters at your Institute and my aim is to continue to search for academic excellence in my chosen fields of interest and utilize all opportunities that come along the way. I feel confident that I am equipped with the necessary skills. I feel that good academic program at your Institute, along with the excellent facilities in the department; will be ideally suited to my interests. I would love to enrich myself in your post graduate program, and ultimately make a meaningful contribution by joining a group of the department.

Thank you for the opportunity to express myself.
